Wah, ek alien ki kahani, Hindustani tadke ke saath! Chalo sunte hain...

Title: Chai Aur Ek Tara

Part 1: Pahadi Subah Aur Ek Anjaani Roshni

Himachal ke khoobsurat pahadon mein, Jahan Har subah suraj ki kirnein devdaar ke pedon ko sone sa chamkaati theen, wahaan Raju apni chhoti si chai ki dukaan chalaata tha. Raju, koi khaas aadmi nahi tha, seedha saadha, dil ka achha, aur uski chai? Uski chai toh poore ila ake mein famous thi. Garma garam adrak wali chai aur saath mein biscoot, bas!

Ek din, subah ke 4 baje the, jab Raju apni dukaan kholne jaa raha tha. Aasmaan abhi bhi ta aron se bhara tha. Tabhi usne dekha, ek ajeeb si roshni, bahut tez, jo tezi se neeche aa r ahi thi. Pehle laga koi shooting star hoga, par woh toh seedha paas ke ghane jungle ki tar af jaa rahi thi. Aur phir, ek zor ka dhamaka! Poori zameen hil gayi.

Raju pehle toh darr gaya, 'Hey Bhagwan, yeh kya ho gaya?' Usne apni torch uthai aur himmat karke us taraf chal pada jahaan se awaz aayi thi. Jungle mein andar jaate hi, usne dekha ek ajeeb sa metal ka object, jiska aadhi body zameen mein dhansi hui thi aur usme se halki neeli roshni nikal rahi thi. Woh koi plane ya helicopter nahi tha, bilkul alag.

Part 2: Pehli Mulaqat

Raju ne socha, 'Yeh toh koi foreign object lagta hai. Shayad koi astronaut phans gaya ho.' Woh paas gaya toh dekha, us object ka ek darwaza dheere se khula. Aur andar se... andar s e jo nikla, use dekh kar Raju ki chai ki pyali haath se gir jaati, agar uske haath mein ho ti!

Ek ajeeb sa jeev. Uska body patla, lamba, aur silvery skin chamak rahi thi. Sar bada tha a ur aankhein bhi badi badi, kaali aur chamakdar, jaise poora aasmaan unme sama gaya ho. Usk e haath aur pair bhi the, par ungliyan lambi. Woh dhire se bahar nikla, thoda ladkhadaya, aur zameen par baith gaya. Woh dara hua lag raha tha.

Raju, jo pehle shocked tha, ab uski aankhon mein curiosity thi. Usne dheere se kaha, "Kaun ho tum? Kahaan se aaye ho?"
Us jeev ne Raju ki taraf dekha, uski badi aankhon mein samajh nahi aa raha tha. Usne ek aj eeb si awaaz nikali, jaise koi high-pitched beep ho.
Raju ko samajh aa gaya ki communication mushkil hai. Usne apne bag se pani ki bottle nikal i aur us alien ki taraf badhai. "Pani?"
Alien ne pehle toh darte hue dekha, phir dheere se haath badhaya aur bottle pakad li. Usne thoda sa pani piya, aur uski badi aankhon mein thodi tasalli dikhi. Raju ko lagne laga, y eh koi dushman nahi hai. Usne apne man mein uska naam rakh diya – "Zee," kyunki woh "z" so und karta tha.

Part 3: Dosti Aur Jugaad

Agle kuch din, Raju ne Zee ko apni dukaan ke peeche chhupa kar rakha. Kisi ko bataya nahi. Woh Zee ko khaane mein roti aur sabzi deta, par Zee ko insaani khana kuch khaas pasand na hi aaya. Lekin, jab Raju ne use chai di... Zee ne ek sip liya aur uski aankhein chori ho g ayin! Ek ajeeb si, khushi wali awaz nikali. Raju hans pada. "Lagta hai tumhe bhi chai pasa nd hai!"

Zee, ishaaron mein Raju ko samjhane ki koshish karta ki uska ship kharab ho gaya hai aur u se theek karna hai. Woh hawa mein kuch diagrams banata, kuch chamakdar cheezein dikhata, j o uske ship mein lagti theen. Raju, jo zyada padha likha nahi tha, par jugaad mein master tha, samajhne ki koshish karta.
Ek din Zee ne ek chhota sa device Raju ko diya. Jab Raju ne usko touch kiya, uske dimag me in kuch images bani – bahut dur ke grah ki, toote hue ship ki, aur ek energy crystal ki jo damage ho gaya tha. Raju ko samajh aaya, Zee ko koi special energy source chahiye thi.

Raju ne socha, 'Energy crystal? Yahan toh pahadon mein bahut kuch milta hai.' Usne Zee ko pahadi nadi ke paas le gaya. Wahan bahut saare chamakdar pathar the. Zee ne unmein se ek p athar ko chuna – woh ek bahut hi saaf, neele rang ka crystal tha jo dhoop mein chamakta th a. Zee ne use apne device mein lagaya, aur usme se ek halki si roshni nikli.

Part 4: Sarkari Khatra

Lekin, yeh raaz zyada din tak chhipa nahi reh sakta tha. Woh crash site ki news ab tak gov ernment tak pahunch chuki thi. CID aur army ke log jungle mein search kar rahe the. Raju k o pata tha, agar unhone Zee ko dekh liya, toh woh use experiments ke liye le jaayenge.
Ek subah, Raju ne dekha, uske chai stall ke paas kuch anjaan log hain, jo idhar udhar dekh rahe hain. Usne turant Zee ko apni dukaan ke chhote godaam mein chhupaya.

Usi din shaam ko, Zee ne ishaaron mein bataya ki uska ship ab theek ho gaya hai. Woh us cr ystal ko dhoop mein charge kar raha tha. Ab usko bas jaane ka intezaar tha.
Raat ke andhere mein, jab poora gaon so raha tha, Raju aur Zee chupchap jungle ki taraf ga ye. Wahaan, Zee ka ship ab chamak raha tha, jaise koi naya janm mila ho.
Zee ne Raju ki taraf dekha. Uske badi aankhon mein gratitude thi. Usne apna patla haath ba dhaya aur Raju ke gaal ko dheere se touch kiya. Raju ko laga, jaise usne ankhon hi ankhon mein "Thank You" kaha ho.

Part 5: Alvida Aur Ek Nayi Subah

Zee dheere se apne ship ke andar gaya. Darwaza band hua. Aur phir, us ship se ek halki nee li roshni nikli. Dheere dheere woh zameen se upar utha, aur bina kisi awaz ke, tezi se aas maan ki taraf chala gaya. Ek pal mein, woh ek chhota sa chamakta hua taara ban gaya aur ph ir gayab.

Raju wahin khada, aasmaan ki taraf dekhta raha. Uske aankhon mein halki nami thi. Usne ek ajeeb se dost ko alvida kaha tha. Jis din usne chai aur biscoot banate hue guzare the, wah an usne ek alien ke saath dosti ki thi.

Aaj bhi, Raju apni dukaan mein baitha, jab chai banata hai, toh uski nazar kabhi kabhi aas maan mein chali jaati hai. Woh jaanta hai, kahin bahut dur, uska dost Zee ab bhi hai. Aur Raju ki chai mein, ab ek aur khaas ingredient mil gaya tha – *ek yaad, ek raaz, aur ek tar a jo uski zindagi mein chamak kar chala gaya tha.*

Chai aur ek tare ki yeh dosti, Raju ke liye zindagi bhar ki meethi yaad ban gayi thi.
